

Fife & Drum Corps Recruit Workshops

Wednesdays and Thursdays in July, beginning July 7th, 2010

Musicians were an important part of the 18th-century military. Fifes and drums played from sunrise to sunset, and served as a primary mode of communication from commander to troops during battle. Tryon Palace has undertaken the exciting task of recreating an early-American fife and drum corps, which plays at numerous events throughout the year in New Bern and beyond.

In this workshop series, participants will learn the basics of reading music, scales and rudiments, and tunes that will prepare them to join the Tryon Palace Fife & Drum Corps. Join this outstanding program and help bring history to life in a truly unique way.

Times: 8:30 a.m. - 12:30 p.m.
Ages: Grades 6-10
Cost: \$50 per person
(one fee covers all workshops)
