WINTERFEAST

*Oysters,
Brews, and
Comfort Foods*

2017 SPONSORSHIP
OPPORTUNITIES

A delicious feast of oysters, shrimp and grits, barbecue, and more brings hundreds of people to the North Carolina History Center every January for WinterFeast: Oysters, Brews, and Comfort Foods. Growing in popularity and attendance each year, including sell-out crowds the past two years, WinterFeast will return to the historic New Bern riverfront January 27, 2017 as the Tryon Palace Foundation's largest annual fundraiser.

We have every reason to believe that our 2017 WinterFeast will be the largest in our history, but the true measure of our success will be determined by the generosity of donors like you.

By supporting WinterFeast, not only will you reach those in attendance, but also thousands more with event coverage on regional television stations, newspapers, e-mail distribution lists, and various social media platforms where your business will be aligned with Eastern North Carolina's premier historic site — Tryon Palace.

The impacts of sponsoring an evening full of delicious foods and fun for the community will last for years to come. The educational programs at Tryon Palace leave lasting impressions on countless visitors every year. These programs are made possible through funding provided by the Tryon Palace Foundation. Each and every visitor that passes through Tryon Palace's gates is inspired by the historical interpreters, costuming, and hands-on living history experiences funded by Tryon Palace Foundation and donors like you.

Show your support for North Carolina's first state capitol today! Simply choose the sponsorship opportunity that's right for you, fill out our donor form, and mail it to the Tryon Palace Foundation, or give us a call at 252-639-3519.

DON'T FORGET!
*WinterFeast tickets make great stocking
stuffers for your employees!*
